- **Training and Workshops** organised by EPOMM. Most prominent are the NFP- Workshops that take place twice a year, hosted by the member countries and featuring information exchange on MM- aspects and MM- implementation. Other training and workshops are organised on demand.
- **EU-relations:** regular contacts with European institutions and cooperations make our voice heard in Europe.
- **Project Networking:** EPOMM maintains a regular exchange with European projects, researching or promoting Mobility Management. As such, it has prime access to the project results and

			information and helps to preserve project know-how beyond the end of the projects.			
5	Cykelvänligast (bicycle-friendly workplace)	Annual national competition for workplaces to be the most bicycle-friendly workplace of the year.
